

Bea-fon S20

Full size image

Mobile communication has never been this easy!

Easy to use stylish handset with ergonomic grip. The S20 shows that a simple phone does not have to look unattractive anymore. During every step in the production process we think of the demands and capacities of the target group.

The S20 provides all the functions and functionalities you can expect from a Bea-fon.

The ergonomic design of the S20 has set a new standard! Do you have problems reading all the colour displays? The amber screen provides a high contrast between the back ground and text which makes it very easy to read the menu. Try it and get convinced!
